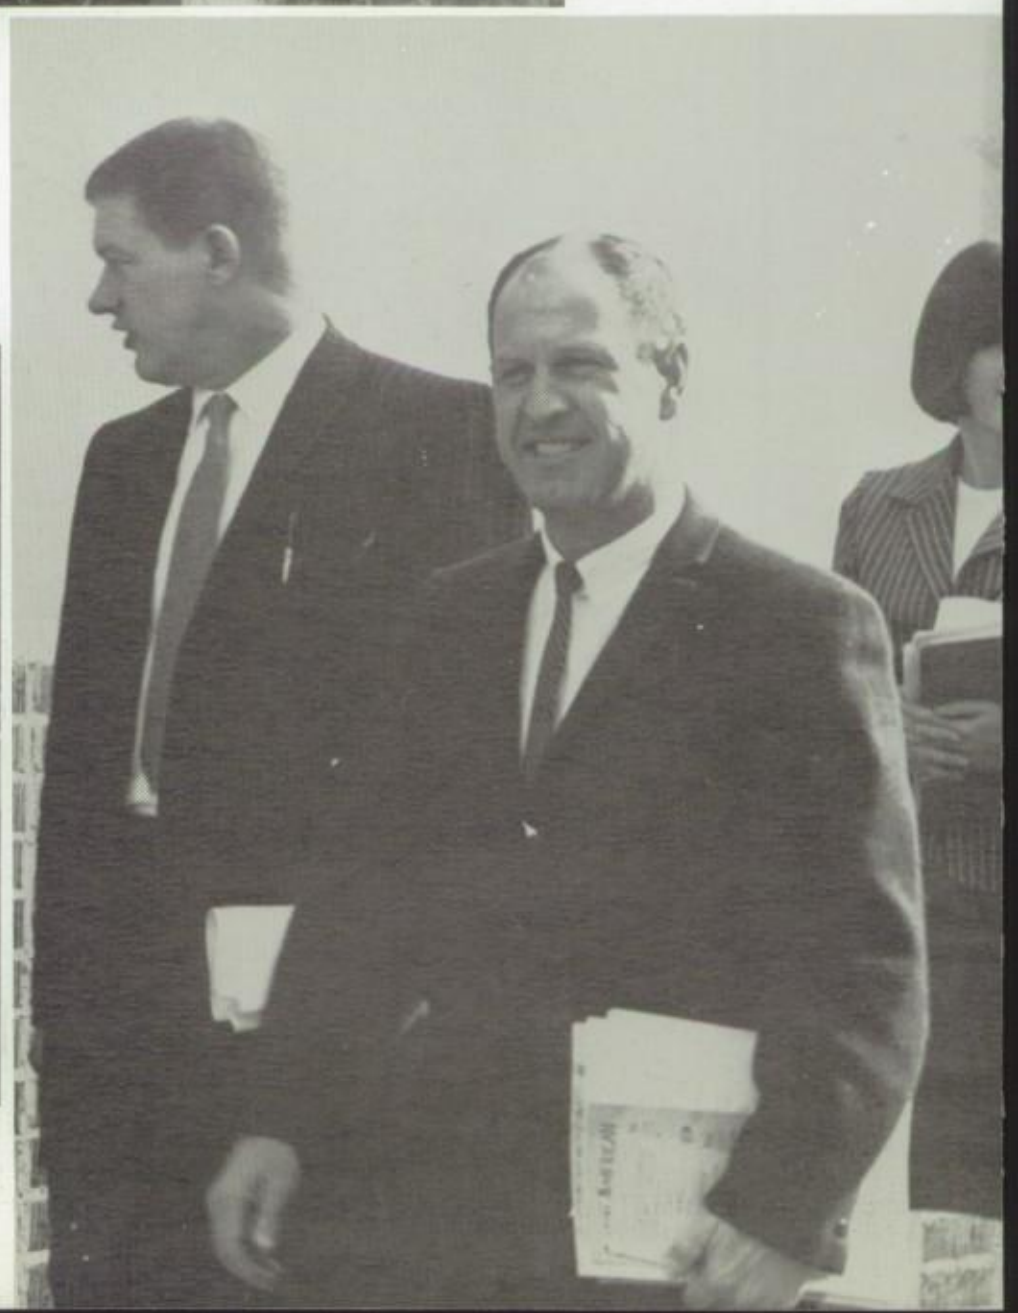
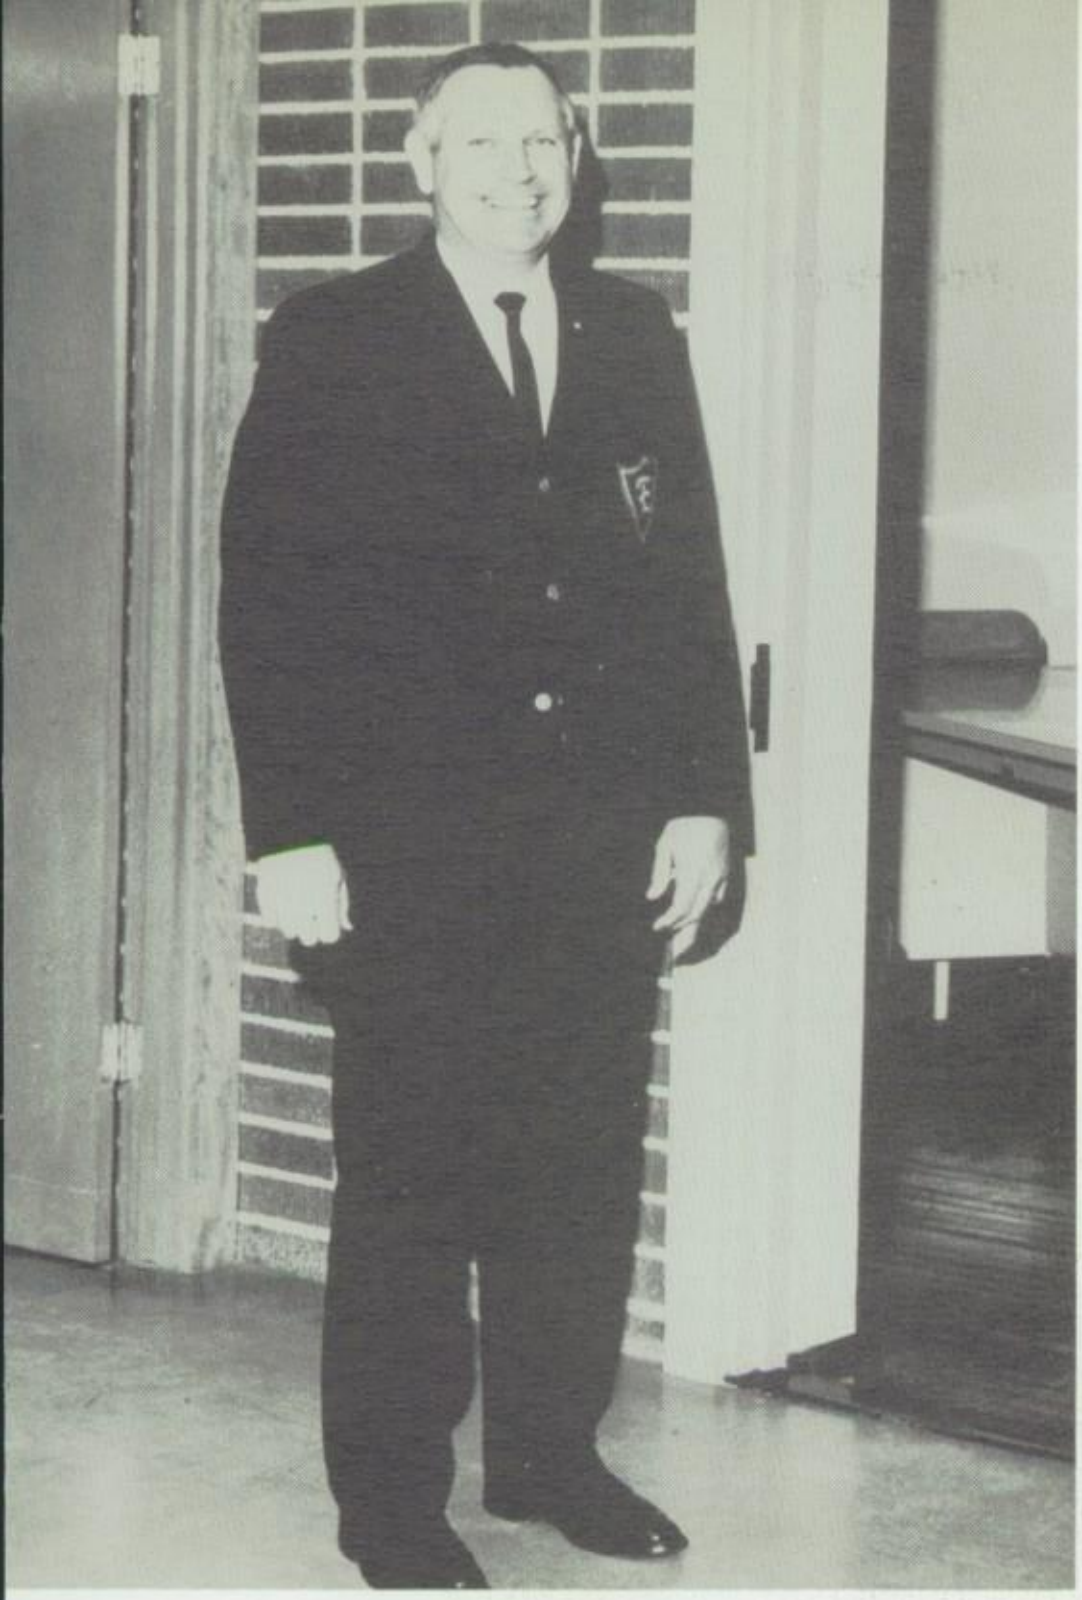
Dedication

It is with a great deal of pride that we dedicate this ACTA to Exeter High's own "music man" Mr. Robert Harbin. Through the years he has done more for Exeter than we can possibly list. We can just say that we really mean it when we say:

Thanks





Lewis C. Foster District Superintendent
and Principal

Superintendent's Message

To the graduating seniors and students of Exeter Union High School.

Congratulations to the graduating class of 1965. You have completed four years of formal high school education. You have every reason to be proud of yourselves, and we, your friends, parents, and communities are proud of your success. It is our wish that you have a continued happy and successful future in whatever field of endeavor you may choose.

To all students; education is the most important phase of our democratic society. It is my hope that each of you maintain the ambition to carry on with your education and to attain the knowledge and skill for success in whatever profession you may choose, and with that attainment derive the happiness that goes with knowing the job has been well done. Remember, whatever you be,—be the **best.**

Sincerely,

Lewis C. Foster

Homecoming Queen

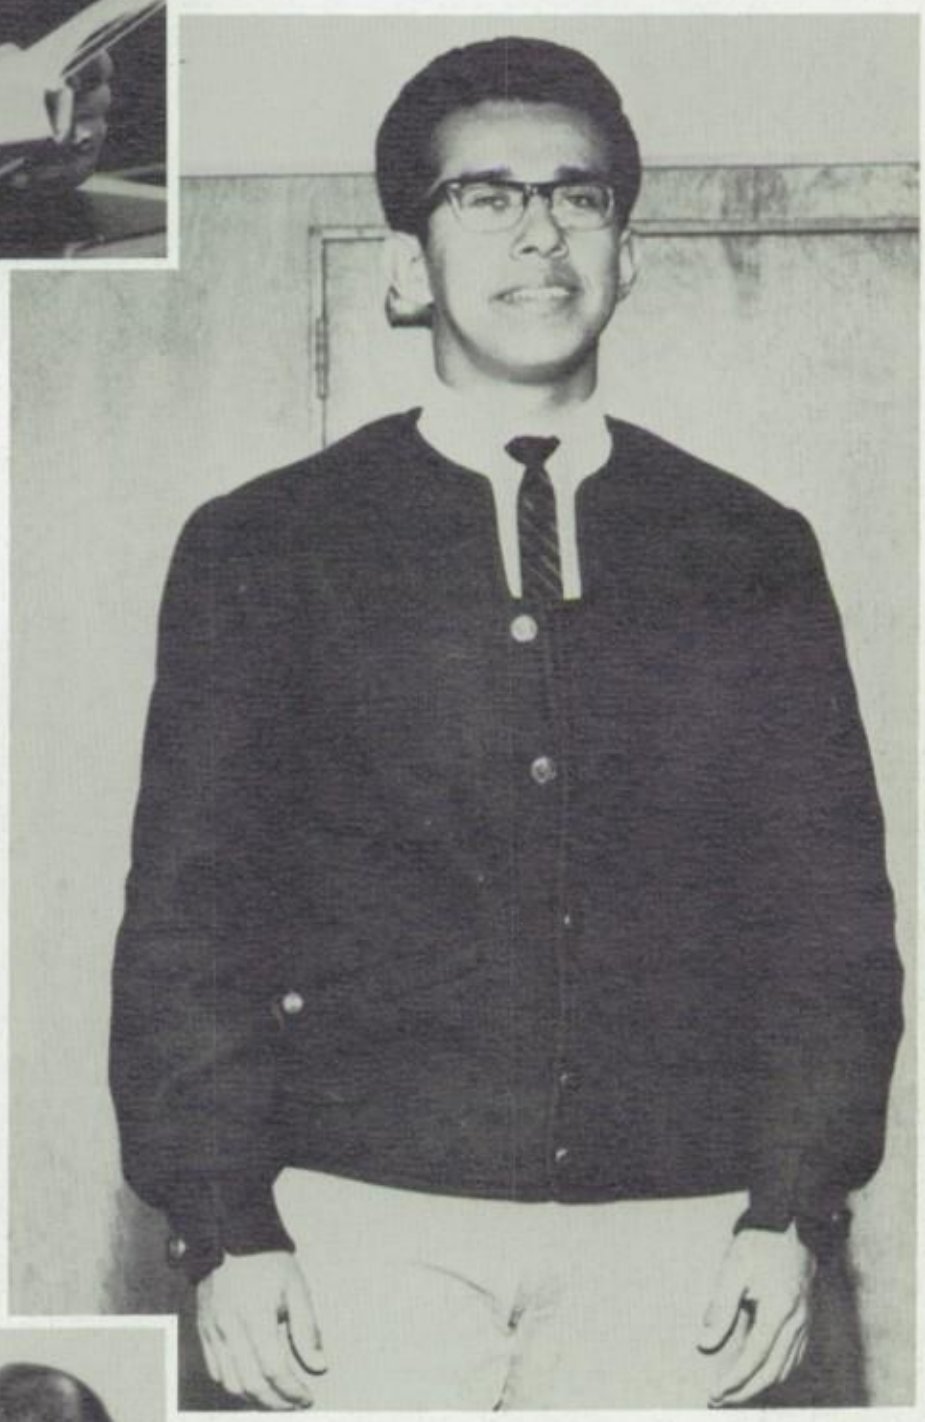
The 1964 Homecoming Queen, Miss Judy Elick, & her princesses, Candy Williams & Vickie Wirht, were given their honors at the homecoming footall game on the 23rd of October. Although we lost the game, Homecoming was a great success.

Dear Luis:

This year, as in years past, we have learned something new about other countries from our foreign exchange student. Luis you have been a spark of interest around the school and have added a foreign flare. You have helped our spirit by attending school functions and being a source of pride for us all.

We hope you have enjoyed your visit here as well as we have enjoyed having you.

Sincerely,
Your Exeter friends



Luis' Message

It is unbelievable that it is the end of the year for me in Exeter. I can say that this year was the most interesting and significant year in my life. I have visited beautiful places, parks, and cities, and have learned many things that I will practice in Peru.

In Exeter, I found the people so friendly, that to say thanks is not enough. I could never repay everything that they have done for me.

I have to say infinite thanks to the American Field Service, because they made it possible for me to come here and meet all of you wonderful people whom I shall never forget.

I would like to say thanks to the teachers and students of E.U.H.S. and in general to all the people of Exeter for being real friends of mine. I hope to see you all again in the future.

Your friend,
Luis Herran

This year's Block E club was as active as always. During the football season we operated the Block E parking lot, where we gained funds to sponsor other activities.

Our Block E candidate was crowned Queen for the third year in a row, during the Homecoming festivities. At the close of football season we received our blue & gold Block E caps which we had purchased earlier in the year. We enjoyed our meetings very much due to the fact there was entertainment and refreshments.

At midterm we held a party in honor of Cathy Shields. We are happy to have Mr. Allred as our sponsor.

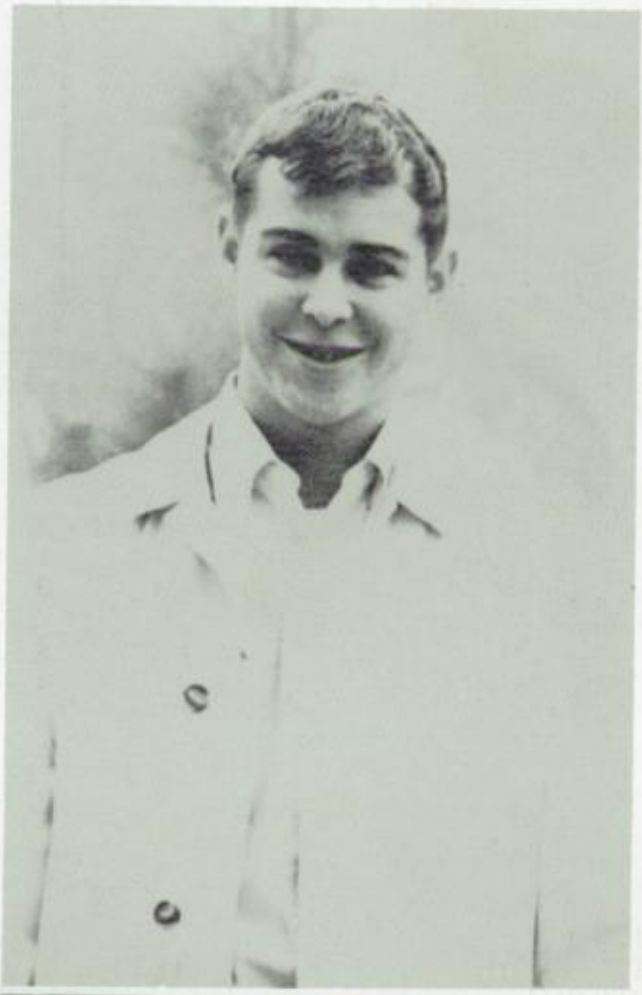
Service

The main goal of our club is to support the Students Abroad program. AFS started off the year as usual with a money making car wash. Then we put on the annual homecoming banquet. We also sponsored a dance.

At our assembly, Bruce Montgomery showed us slides from his trip to Brazil. Luis Herran, this year's foreign exchange student from Peru, presented an interesting and informative talk.

The big surprise came in December when it was learned that Cathy Shields had been chosen to spend a year in New Zealand.

The club advisor is Mr. Pimentel.



BRUCE R. MONTGOMERY
Last year Bruce was chosen by AFS to participate in the summer program. He left for Brazil in June and spent the summer there.

age Club

Jim Doctor, President; Julie Chivers, Treasurer; Don Schelling, Vice President; Vicki Dungan, Secretary.

Each year the Foreign Language Club provides a fifty dollar school-scholarship to a deserving student who wishes to enter college and major in languages. Though this is a small contribution, it gives a purpose and meaning to our organization.

Our major fund raising project this year was sponsoring an after game dance. Club members worked long and hard to provide an attractive float for our Homecoming queen candidate, Nyla Hejny.

The club has become so large that we decided to divide into smaller groups for some of our meetings. Under the director of Mr. Vigil, we had a very successful year.

Drama Club

At the beginning of the year the Drama Club had a meeting and elected their officers. They are: Ray Sitton, President; Sandy Smith, Vice President; and Candy Williams, Secretary.

Although we didn't have many meetings, quite a few of our members were active in the dramatic activities of the school.

Cindy Botkin, Carol Smith, Ray Sitton, Candy Williams, Jane Wirht, Nancy Pomeroy, Robert McGuire, Sandi Smith, Jo Howard.

Business Club

The Business Club has been more active this year than any other year. There have been a series of Pot Luck dinners here at the school, and a beautiful Christmas dinner with two graduate guests.

The Business Club prepared and mailed questionnaires to the 1960 and 1961 business graduates to provide data for job placement improvements. We also took a trip to Fresno to visit a large insurance firm. The money used for the trip was made through cookie sales.

Creative Arts Association

This year the C.A.A. has been a very active club on campus. During football season we sold Monarch megaphones to support the football team and school spirit. We also had various cake sales to raise money for the publication of our magazine, Techne.

For homecoming the club sponsored Delphine Ferguson as our candidate. Sponsoring an after game dance with the Pep Club was work, but fun. The main project of the year was a spaghetti and pizza dinner before the Kingsburg basketball game on February 5th. All of these money raising projects were made in an effort to make Techne, our magazine, self-supporting.

Special thanks goes to Mrs. Castle, the club sponsor, from all the members, for all the hard work she has put into the making of our magazine.

The Gold Seal Bearers this year are: Larry Akers, Jeff Estabrooks, Pat Vincent, Steve Siler, Don Curry, Carol Staton, Jeannette Campbell, and Roberta Graham.

We also assisted the Parents Club membership drive, served as guides at the annual Back-to-School Night, and sponsored Pat Vincent as our Homecoming candidate.

Mrs. Veitch was our sponsor again this year. Several new members were eligible for membership after the first semester but they are not pictured because of the Acta deadline.

Future Teachers

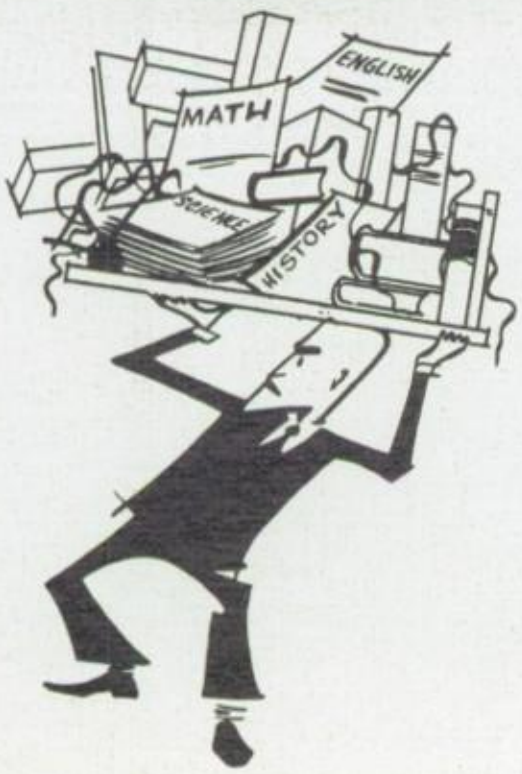
Future Teachers is a new club on campus and it had a small membership this year, but we have high hopes for the future.

This year we have made plans to teach in the elementary school one or two hours a week. This will take place the second semester. In being given the opportunity to teach in the elementary schools we hope to learn how to prepare a lesson plan, and it may even help us to decide what field we want to teach.

This spring we also attended a Future Teachers Conference at Fresno State College.

Carolyn Fisher, Barbara Tanner, Robert McGuire, Cathy Fisher.

Nancy Pomeroy, Linda Fonville, Mary Muller, Sandy Smith.



Future Homemakers of America

This year the Future Homemakers were active in many things. Our club started out the year's activities by selling goodies at the Basketball tournament and also during brunch.

We also gave gifts and clothing to a needy family at Christmas. We had a float in the Homecoming Parade, on which we won second place. Our queen candidate was Yvonne Barnes.

Our club officers attended a planning meeting in October, at Kingsburg High School. We are planing on going to a district meeting at Bakersfield High School in March. We would like to thank Miss Deck and Mrs. Roberson for giving their time and effort.

First Row: Nancy Pomeroy, Wanda Conley, Velma Redfearn, Janice Price, Linda Fonville, Nancy Shawn.

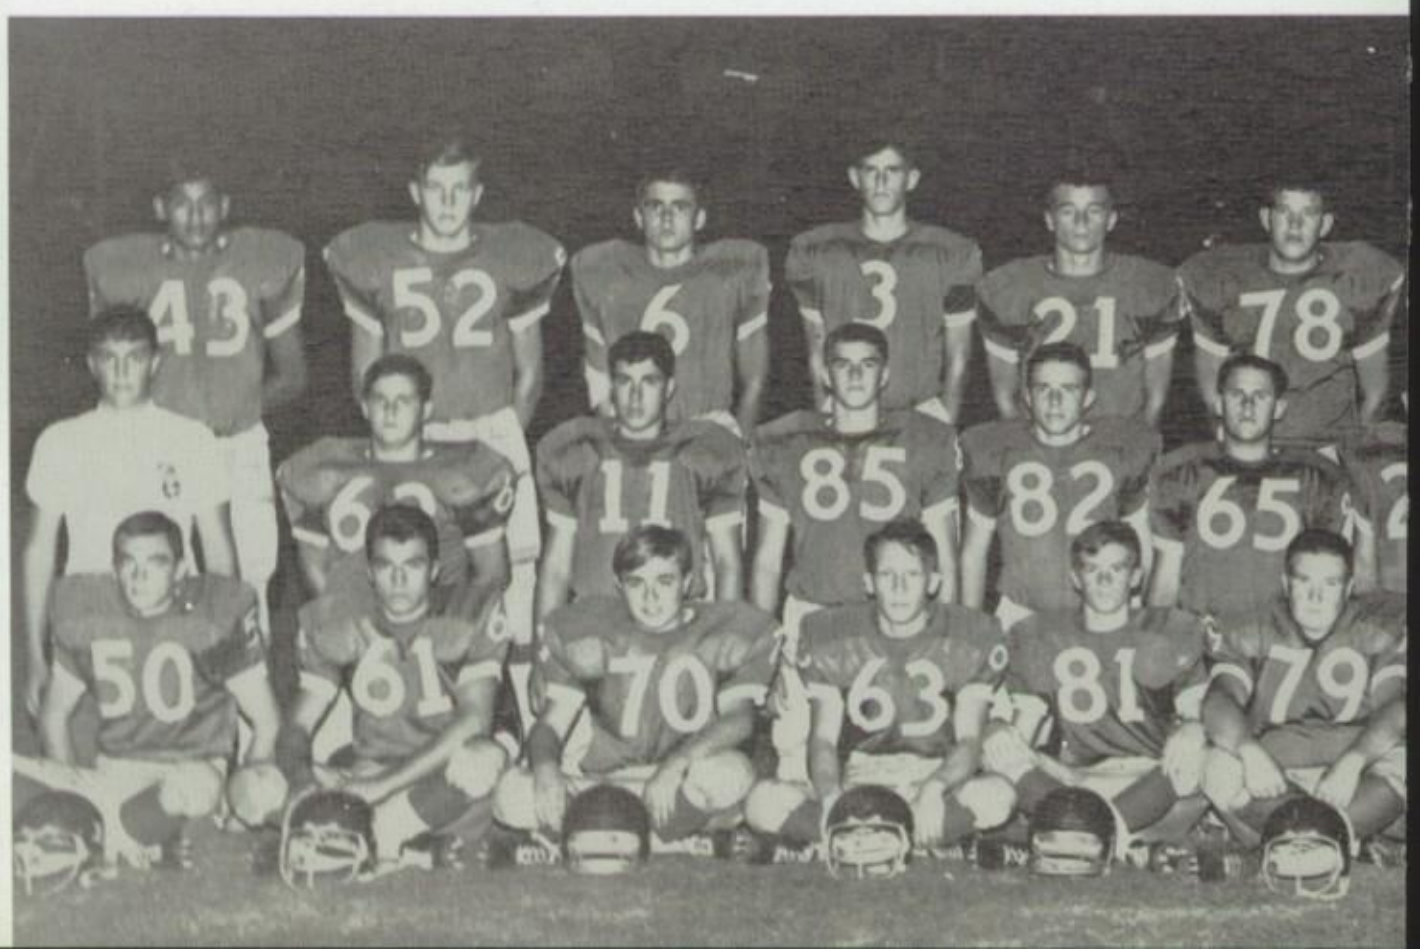
First Row: Judy Rutledge, Esther Crisswell, Phyllis Freeman, Patsy Brown, Carolyn Walker, Nancy Vanneste, Gloria Saldiver.

Sports

Varsity

Although hampered by injuries to some of their key players the hard fighting Mighty Monarchs showed signs of greatness during the season but ended with a disappointing record of 4-6.

First Row; Dick Thompson, Chuck Prudhomme, Luke Bachan, David Tomlinson, Bill Wirht Robert Rocha, Second Row; Mike Richards, Larry Miller, Ray Strable, Jay Johnson, Jim Brown Stailey, Leland Pippin, Turner, Third Row; Frank Rocha, Ron Neil, Jeff Franks, Tim Morris, Jerr Steve Bingham, Bret Ball.



Football

Out of the 35 man squad there were 21 seniors who saw their last year of football here at E.U.H.S. The highlight of the season was when we hosted Lindsay—our traditional rival—and rambled over them 33-12. With a few more breaks the season could have very easily gone the other way.

The little Monarchs started off the season slowly when they tied their first game, but they picked up momentum and fought hard to achieve their well earned second place in the league. The only loss of the season was to the hard hitting Selma Bears. The B's deserve hearty congratulations for a fine season.

Frosh Football

The team that never gets any credit—that's the Freshman team. The unsung heroes that don't get noticed—until—they move up to the Varsity team, then everybody wonders where they have been! They had a good year with a 3-2-2 record. These boys will be the backbone of our Varsity team—so from the looks of things we have nothing to worry about in that area.

The Varsity team this year had many returning varsity players as well as players coming up from last year's J.V. team. The Acta went to press before the end of the season, therefore we weren't able to record scores, but from all indications we expect to have a very successful season.

Editors Message

It was a great honor for me to be chosen editor of this staff, and a privilege to work on this Acta. Being editor is not an easy job, but it is gratifying to do something like this for our school. Working on this yearbook has given me something that I will always remember and cherish.

I would like to thank everyone who has participated in making our Acta the best! I would especially like to thank Mr. Simpson for all the help, and wonderful advice he has given me, and especially for being so patient.

The Acta staff has put lots of hard work and long hours into this Acta. It really means something to the whole staff.

I hope that you enjoy this Acta as much as we have enjoyed forming every page. I hope that this yearbook will help preserve these wonderful years at Exeter High.

THANK YOU

Robyn Valentine
